

## NO CONDEMNATION, GREAT EXPECTATION

I've got no frustration and no hesitation  
'cause I've got information for every situation.  
I'll suffer some temptation and even tribulation,  
but I know the location of my final destination.

I'm sure of my salvation, I've seen a transformation,  
I'll shout my proclamation to every generation.  
Believing inspiration will lead to celebration.  
I've got no condemnation, and great expectation.
